

VENT AIR COOLING LTD

Environmental & Sustainability Policy

This company recognises its responsibilities to the environment.

The aim of the policy is to:

- Comply with current environmental legislation
- Consider and assess, taking action where necessary to continuously improve environmental practice.
- Emphasise to employees at all levels their own responsibility to the environmental well being, giving training and information where applicable.
- Display and provide this Policy to all employees including Sub-contractors.
- Audit environmental and sustainability performance.
- Review this policy taking in to consideration any audit findings annually as a minimum.

The Managing Director/Senior Projects Manager or Site Supervisor(s) will be responsible for implementing this Policy and, as far as is reasonably practicable, ensure that:

- Any work is carried out in accordance with this Policy.
- Measures are taken to prevent any surface, underground or atmospheric pollution.
- Noise pollution is kept to a minimum, as far as is reasonably practicable.
- Vehicle exhaust pollutants are kept to a minimum.
- Wild life and surrounding habitats, trees, flora, fauna archaeological and heritage remains are protected as appropriate.
- Material wastage is kept to a minimum, as far as is reasonably practicable.
- Water and energy are conserved and recycling of materials is promoted.
- Environmental accidents are investigated, dealt with and preventative measures are enforced to prevent further occurrences.
